June 22, 2022

Attention Member:

This letter is to alert each Member of Edom WSC is still under a STAGE 1 MILD WATER SHORTAGE condition.

We are seeking a **VOLUNTARY REDUCTION** in daily water demand.

Water customers are requested to **VOLUNTARILY** limit the irrigation of landscaped areas to Sundays and Thursdays for customers with a street address ending in an even number (0, 2, 4, 6 or 8). Saturdays and Wednesdays for water customers with a street address ending in an odd number (1, 3, 5, 7 or 9).

We ask you to **VOLUNTARILY** avoid or limit all unnecessary outdoor watering between the hours of 10:00 a.m. and 6:00 p.m. Water customers are requested to practice water conservation and to minimize or discontinue water use for non-essential purposes.

Thank you for your cooperation.
